## Brickshire Golf Club Advisory Panel Charter

Brickshire Golf Club - Providing a high-quality golf experience for all levels of competence.

The Brickshire Golf Club Advisory Panel shall consist of five volunteer members appointed by the Brickshire Board of Directors, with a preference for at least one golfer from the men's league, one from the women's league, and one non-golfer. The Panel will select its Chair for Board consideration at their first monthly meeting. The Panel will bring its ideas, comments, suggestions, and recommendations to the Board which will take the Panel's recommendations under advisement. Included in these duties are providing feedback on current services and programs offered, suggesting course modifications or need for improvements/repairs, Grille service and menu suggestions, and event suggestions.

The purpose of the Panel is to improve communication about Golf Club operations with residents and to establish a cooperative spirit between Golf Club management, members, residents, and Board to improve use and establish the Golf Club as a source of pride to the community.

### Responsibilities/Objectives:

1. Function as a conduit for conversation so that members, management, residents, and Board are all informed on matters related to the Golf Club and to help dispel rumors and misleading information.
2. Meet with the Golf Club management company and Board monthly for updates on Golf Club operations.
3. Develop a cooperative and respectful relationship with Golf Club management.
4. Bring to the Board constructive ideas from residents and members that can help improve Golf Club use and performance.
5. Function as ambassadors for the Golf Club to help increase membership, course use, and Grille use.

The Advisory Panel nor its members may make any decisions about the Golf Club but shall bring recommendations to the Board for their consideration. The Panel does not direct Golf Club management or meet with Golf Club management outside of scheduled Advisory Panel or Board meetings. Nor does the Panel involve itself in any personnel or financial issues. The Panel serves at the pleasure of the Board and assists in a vital, but strictly advisory capacity.
